CHILDREN'S ACTIVITIES

KIDS WELCOME

La Residence is as committed to the happiness and wellbeing of our younger guests as we are to our adult ones.

Whether you are looking for some quality family time, or a quiet moment away from the kids; allow us to assist you in planning a holiday that will be memorable and fulfilling for both children and adults alike.

The following list of children's activities can be tailored to your family needs. Please let a member of our team know should you have any special requests. Cots and high chairs are available on request but we encourage you to book in advance to avoid disappointment.

FOR ASPIRING CHEFS

Learn how to cook like a pro under the guidance and safety of one of our talented Chefs. Bake and decorate cookies or cupcakes, bake your own bread or even make your own pizzas. Pick fruit and vegetables off our farm and learn how we can use them in the kitchen.

YOUNG ARTISTS

Be inspired by the beauty of the Cape Winelands as you let your imagination run wild. Create your masterpiece with finger paints, water paints, or oil on canvas. Kids can also make their own creations out of clay and plasticine.

Pick flowers from our beautiful gardens and learn how to do your own flower arrangements.

There are numerous fun games and toys to play with, including pool toys, Lego, PlayStation and various board games.

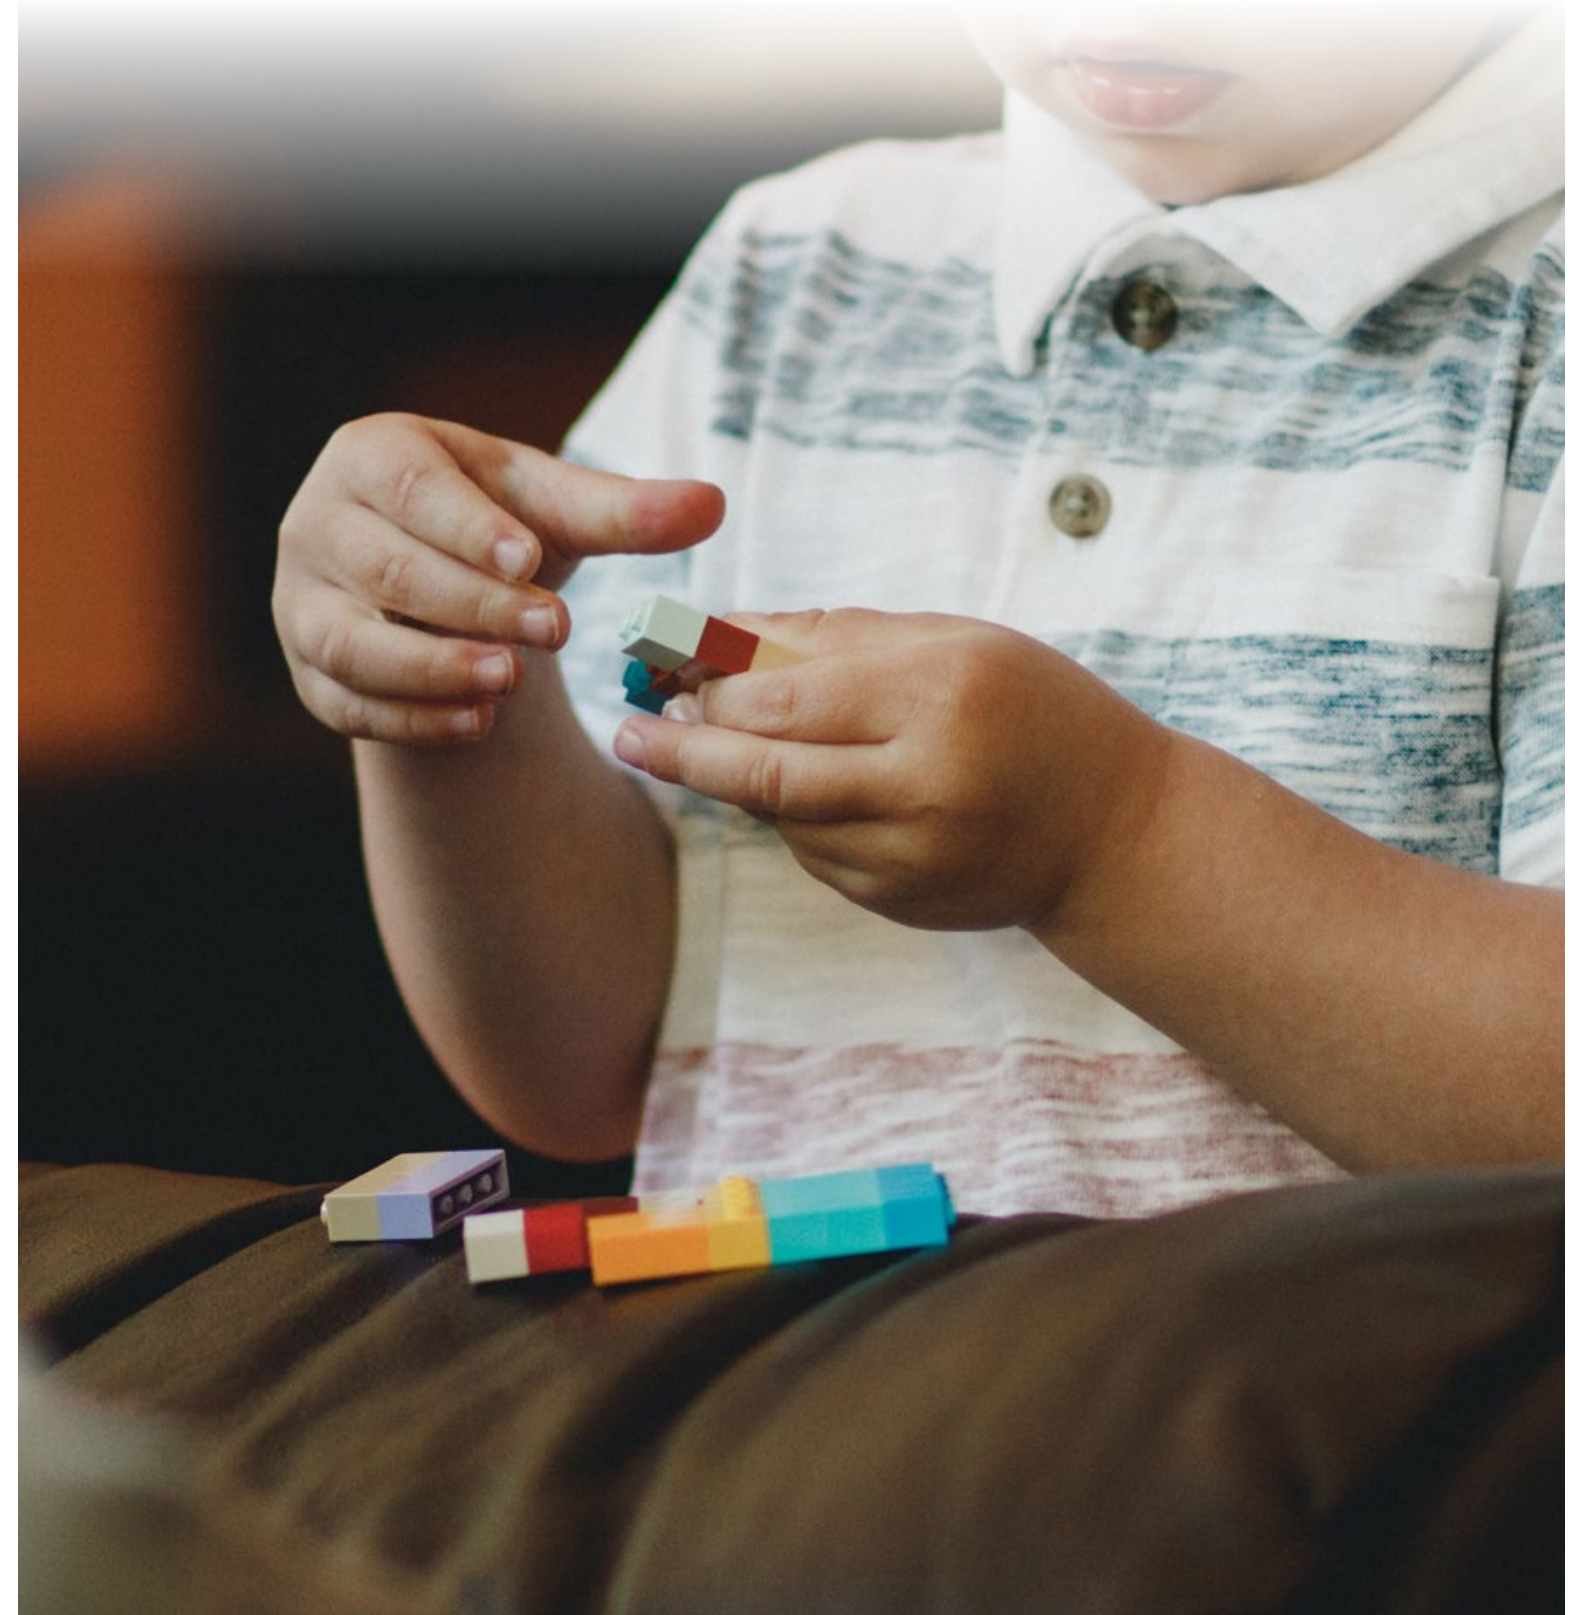

STORY TIME

Choose your favourite book or fairytale and let us or Mom and Dad read you a story.
Child friendly comics are also available.

PARENTS NIGHT OUT

Let's have fun while Mom and Dad go out. Make your own pizzas and watch your favourite movie with popcorn. Hot chocolate and marshmallows are yummy with a bedtime story.

BIKE RIDING

Franschhoek is the ideal setting for a leisurely cycle. Explore as a family or let us book you a guide. We can hire bikes on your behalf.

HIKING

Our In - House Activity guide Joshua Juries was born and raised on the La Residence property with deep knowledge of the valley, its geology, flora, fauna, history, and hidden gems. We offer village, vineyard and mountain walks as well as hikes in the Mount Rochelle Nature Reserve. This is highly recommended for older kids, teens and families with a passion for the outdoors.

HORSE RIDING

Cape Winelands Horse Riding is situated in the exquisite South African Countryside between Franschhoek and Paarl. They accept groups of up to eight people. The smaller groups allow us to maintain a high quality and personalised riding safari. They accommodate beginners but the recommended level of experience for their riding is intermediate to advanced. Riders of similar experience are generally grouped together. They will also accept single riders.

BUTTERFLY WORLD

Explore the beautiful indoor tropical garden and walk among some of the world's most exotic butterflies. Butterfly World first opened in 1996 and is the largest free flying park for butterflies in Southern Africa.

LE BONHEUR CROCODILE FARM

This farm is a registered breeder of the African Nile crocodile. Take a guided tour of the ponds and if you are feeling brave, you can even handle baby crocodiles.
