

Villa 37

Five bedrooms

Total area 1,823 sqm./ 19,623 sq.ft. | Max Occupancy – six adults and four children or ten adults

Unwind amidst tropical living spaces just steps away from the white sandy beach on the sunrise side of the island. Villa 37's highlight is the Moonlight Table, that rises above the roof and is the highest point on the island. This is the place to taking your dining experience to new, panoramic heights for picturesque views of the Maldives' sunrises and sunsets.

Step from the ground floor master suite and guest bedroom straight into the pool that wraps gracefully around the front of the villa. Shower and bathe beneath the open skies in the two outdoor bathrooms. Spend lazy days on plush daybeds, indulge with time spent in the steam room and sauna or spend some quiet time in the library. Gather together for a meal around inside dining table beneath the roots of trees or take your dining experience outdoors to one of the two sunken seating areas.

On the first floor three more guest bedrooms with ensuite bathrooms and dressing rooms await. Enjoy your favourite films in the TV room, challenge each other to games of pool and foosball, or work on your fitness in the personal gym.
