TRADITIONAL MONK BLESSING

USD \$200++

Irrelevant of your religious beliefs, this is a beautiful and incredibly rich cultural experience. Receive a Blessing from our local Cambodian Monks on the Island in a quiet destination of your choice or in the privacy of your villa. Three monks from the Prek Svay Pagoda will come to the island where our staff will transform a revered location into a beautiful setup. The monks will chant to drive away negative energies before bringing in positive water blessings, followed by the tying of a little red string around your wrist. In Buddhism, the colour red holds tremendous significance, a symbol that impacts one's life and sustenance and takes care of the life force as well as compassion. In addition, red also represents fearlessness, courage and bravery. This is one of our Song Saa must-do's and is a highly recommended experience for reaffirming a family or loved one's connection.

Please refer to our Blessing & Ceremony brochure for more information on our packages.

COUPLES CONNECT NIGHT SPA RITUAL - 150 MINUTES

USD \$750+++ per couple /
USD \$380+++ per person

This treatment especially designed for couples will focus on three chakras:

Sacral, which represents our ability to accept others and new experiences; Heart, representing our ability to love; and Crown, our highest chakra and represents our ability to be fully connected spiritually.

Exquisite oils of rose (the oil of love), orange blossom (encourages a sense of bliss) and jasmine (stimulates the flow of love) are used in both the body scrub and bath.

Once relaxation has been achieved, a Kundalini back massage will gently stimulate the chakra at the base of the spine to invigorate the body. To complete the chakra realignment, an express facial will reinstall harmony and connection. This treatment is for couples but can also be adapted for one person should you wish.

We have developed our spa and wellness treatments around three themes - Stillness, Healing and Blessings. Each theme covers Face therapy, Body Wrap, Body Scrub and traditional Spa Ritual. Please contact our team for details.

*Spa treatments subject to 10% service charge, 10% tax and 10% government specific tax.
