FREE FOR ZURI GUESTS

BEACH ACTIVITIES AND GAMES

A wide-range of beach games - petanque, racquets, sand games, volleyball, table tennis and others are available on request. Ask our staff for suggestions or to organize a sports match.

KAYAKS (SINGLE OR DOUBLE)

For both enjoyment and fun exercise ask a team member for one of our Kayaks.

SNORKELLING SET

We recommend our daily snorkel tours to one of the two islands, but you can snorkel directly from the ZURI beach. Please ask a team member for a snorkelling set.

STAND-UP PADDLE BOARDING (SUP BOARDS)

Try the ancient Hawaiian form of surfing on our beautiful ocean.

WATER GAMES

Ask the Wimbi staff about floaters and pool games.

Feel free to ask a team member about any of the above activities. Please note that some activities may require booking in advance.

DIVING

PADI - DISCOVER SCUBA DIVING (TRY DIVE) - Minimum age 10

Learn to dive in just 1 day! A course consisting of a practice session in shallow calm ocean, followed by one dive in the ocean to experience the wonderful underwater world.

Price per person **USD 140** /dive

PADI - SCUBA DIVER COURSE - Minimum age 10

A beginners' course that takes about 2 days to complete with a life-long certification from PADI. This allows the diver to dive to a maximum of 12 meters with a professional diver and the certificate can be upgraded to Open Water at any time.

Price per person **USD 290** /2 dives

DIVE SITES

HUNGA REEFS

This reef offers a huge variety of reef fish at a maximum depth of 16 meters. In the stunning coral formations on a sandy bottom you will find crocodile fish, stone and scorpion fish and many different species of flatworms and nudibranchs. A dive site suitable for beginners and ideal for underwater photography.

SHANES REEF

At a maximum depth of 18 meters you can find the rare mauritius and weedy scorpionfish & leaf fish in all colours, sea horses and frog fish. A treasure hunting spot for underwater photographer.

CORAL GARDEN

A fantastic shallow dive with beautiful coral and many of the Indian Ocean reef fish and sometimes get to see a massive green turtle.

MBWANGAWA

A huge hard coral formation surrounded by stunning soft coral. Home to many reef fish, rays, turtles, lobster, eels and guitarfish or scorpion leaf fish, to name a few.

KICHAFI & HAJI

A sloping reef running parallel to the North East coast from 10 to 18 meters deep. A big variety of hard and soft coral. A big section of plate coral giving habitat to all coral fish and green turtles.

MNEMBA ATOLL

The Atoll surrounding the small island Mnemba offers a variety of different dive sites. Mnemba often has an incredible visibility of 40 meters, with the year-round average of 20 meters.

KICHWANI (MNEMBA ATOLL)

A dive to 18 meters or deeper for the more advanced divers. Many colourful coral formations with an abundance of tropical reef fish. Big napoleon fish, reef shark, trumpet fish, trevally and grouper, oriental sweet lips and rays.

WATTABOMI (MNEMBA ATOLL)

A dive site suitable to novice and advanced divers with a depth of 15 to 25 meters. Amongst others you will see lion fish, moray eels, stingrays, octopus and big groupers.

BIG WALL (MNEMBA ATOLL)

A steep decent to 20 meters and then a vertical drop down to 40 meters. A dive for advanced and experienced divers. Reef shark, schools of big Barracuda, rays and tuna. Due to the currents, often an exciting drift dive.

RAS MISIKITINI (TUMBATU ISLAND)

5 small walls from 5 to 18 meters, hard and soft coral, many small coral fish, blue spotted rays, ribbon eels amongst many others.

SAFETY & SECURITY

Here are a few of our recommendations which will help to make your day at the beach safe and enjoyable:

- Take sunscreen, sunglasses and a wide-brimmed hat for protection from harmful UV rays. A long-sleeved shirt or other cover-up may also be a good addition to your gear.
- Bring plenty of water to prevent dehydration.
- Swim only in the designated swimming areas, never swim too far from the shore, and always use the buddy system.
- Ask our 'Water Sports' team for recommendations.
- If possible, check the weather and wave conditions before you go and be alert of changing conditions.
- A life-jacket, or personal flotation device (PFD), is the single most important piece of safety equipment for anyone using a boat, and we recommend that you wear it for most watersport activities.
- The 'Watersports Liability Waiver' form is mandatory for some watersports.
