MARINA & VILLAGE

Step out of One&Only Portonovi and you will discover a bright and vibrant neighbourhood. At its heart is Portonovi Marina, where glistening yachts rest at anchor, and the passage of busy crew and humming helicopters set the rhythm of the day. A promenade of chic boutiques, galleries and cafés invites you to linger over famous labels and lesser-known local flavours. Forming the backdrop are clusters of Mediterranean-style Village Residences, designed to fuse Montenegrin vernacular architecture with refined Venetian styling. A landscape of sculptural trees and fragrant shrubs, dotted with calm fountains and hidden alcoves, evokes an atmosphere of charming serenity.
