

# Soneva Kiri

## KOH MAI SI AIRPORT

Updated March 2020

Nestled between crystal clear waters and lush rainforest, Soneva Kiri is found on the idyllic Koh Kood, one of Thailand's most unspoiled islands.

While far from the usual tourist trail, this tropical paradise is now even easier to reach, with up to six flights per day between Bangkok's Suvarnabhumi International Airport and Koh Mai Si, Soneva Kiri's private airport island. Used exclusively by Soneva Kiri's two eight-seater Cessna Grand Caravan Aircraft, transfers from Bangkok to Koh Mai Si take just 90 minutes, followed by a five-minute speedboat ride between the airport island and Soneva Kiri.

Guests travelling on private jet charters and domestic flights will arrive into Trat Airport, then take a private car transfer followed by speedboat transfer from Trat Pier to Soneva Kiri.

## Discover Ancient Siam

From pristine white sands and warm seas, to sparkling waterfalls amid untamed jungle, Koh Kood is one of Thailand's most exquisite natural treasures. Soneva Kiri overlooks a tranquil bay on the northern tip of the island – a place where unmatched luxury blends with a thoughtful, eco-friendly ethos and authentic, once-in-a-lifetime experiences.

## Arriving in Paradise

Enjoy Soneva's renowned hospitality from the moment you step off the aircraft at Koh Mai Si. Your Barefoot Guardian will be there to greet you when you land, and will help ensure that every part of the transfer process runs smoothly. From Koh Mai Si, take our complementary private speedboat to Soneva Kiri, which is just five minutes away.

## Koh Mai Si Airport

Koh Mai Si Airport is located on a private island, just off the coast of Koh Kood. The airport is exclusively used by Soneva Kiri, which operates two eight-seater Cessna Grand Caravan Aircraft. Soneva Kiri schedules up to six flights per day to and from Suvarnabhumi International Airport in Bangkok during daylight hours, as well as charters to selected domestic Thai airports and Siem Reap in Cambodia.

Private jet charters land at Trat Airport. Unfortunately, private jet parking is not available at Trat Airport, with the nearest private parking facilities available at Utapao Airport. From Trat Airport, it is a 45-minute transfer by car to Trat Pier, then a 60-minute private speedboat ride from Soneva Kiri.
