STELLA MARIS OCEAN VILLA

STELLA MARIS SUSPENDED HAMMOCKS

STELLA MARIS VILLA

Marvel at the Maldivian night sky in one of our two Stella Maris Ocean Villa duplexes, inspired by the Latin name for Star of the Sea used by sailors to navigate the oceans in the bygone era.

Settle in for an intimate, romantic getaway as spacious as the open ocean that surrounds you and only accessible by boat.

With striking design elements inspired by the tapestry of the night sky mixed with art deco black and gold details reminiscent of the original Waldorf Astoria New York lobby, Stella Maris Ocean Villa duplexes offer ceilings so high and a space so open, you'll melt into the backdrop of the deep blue.

YOUR SECLUDED BREAKFAST

The ultimate romantic hideaway, the Stella Maris includes complimentary daily breakfast delivered in villa, so you can have relaxing mornings alone together.

If your love affair with the water knows no bounds, the option to add a floating breakfast await.

DINE UNDER THE STARS

The only villas on property with a chef's barbecue, book your exclusive private dining experience.

Our chef will create a custom menu to your tastes, with the freshest ingredients, so that you may enjoy unobstructed views of the Maldivian sky for a dazzling celestial performance during your romantic dinner for two.

ADVENTURES FOR TWO

From intoxicating adventures on the water, to sun-kissed spa days and starry-night dinners, romance is never far away at our Stella Maris Villa.

ROMANCE UNDER THE GOLDEN SKY

Set on the upper deck of the Stella Maris once the stars are covering the sky, melt into a couple's massage focusing on leaving you glowing like the night sky.

Exclusive to guests of the Stella Maris, the hour-long massage will use warm heart shaped Himalayan salt stones, meant to improve circulation, exfoliate the body and relieve stress and insomnia.

The massage will finish off with an exclusive gold infused oil leaving you and your partner like golden stars in the sky. After the massage, savour a bottle of champagne and an array of heart and star-shaped golden chocolates.

As our gift to you, a heart-shaped Himalayan salt stone will be yours to take home to continue the experience beyond the Stella Maris.
